

# Guide to Separating Household Garbage

## General Guidelines:

- This guide contains basic information about the different types of garbage and the separation of garbage.
- When disposing of garbage, you must use the appropriate designated garbage bag.
- Please confirm which garbage station you are permitted to use. Each garbage station is managed by the local residents in the area, so please talk with your local neighborhood chairman or the residents in your area for details.
- Please confirm the appropriate garbage disposal day on the 'Disposal Day Calendar', and please ensure that your garbage is in the designated garbage station by 8:30am on that day.
- Garbage disposed of on the wrong day or non-separated garbage will not be collected. Please return this garbage to your house and dispose of it appropriately.
- You must not dispose of an excessive amount of garbage at one time.
- The garbage stations are managed by the local residents. Please abide by the rules of your local area, and dispose of garbage appropriately.
